March 2017

Grace to you and peace from God our Father and our Lord Jesus Christ. Amen.

As a Pastor I get asked many interesting questions. Many of those questions begin with "Why?"

Why did Jesus say this?
Why did God do this in the Old Testament?
Why did my loved one die?
Why me? Why now? Why here?
Why do we do something in worship...

Some of the questions though are "What?" questions.

What was Judas thinking?
What does it mean in the Psalms when it says...?
What did Luther have to say about?

One of my favorites though is, "Pastor, what is your favorite season?" We actually asked that around the table at our February Maumee Valley Conference Clergy Meeting.

For many of us in the Church that is actually a double question. What season of the year is your favorite? For me, it's always been Fall. The colors, the smell of the air, and even back in the days before it was illegal the smell of burning leaves.

However, in the Church there is a second answer to the favorite season question. Again for me, it's an easy answer. I LOVE LENT.

There is a holy rhythm to Lent, Ashes, prayer, soup suppers, mid week worship, First Communion instruction, Holy Week, stripping the altar on Maundy Thursday, the Solemn Reproaches of Good Friday, the Holy Silence of Easter Saturday.

It feels to me as if the words spoken have a bit more power as we are confronted with the crucifixion of Jesus.

"...that we have sinned by our fault, by our own fault, by our own most grievous fault..."

"Remember you are dust, and to dust you shall return".

"The body of Christ, given for you". "The blood of Christ, shed for you."

"O my people, O my church, what have I done to you? How have I offended you? Answer me"

I invite you to join with the Church throughout the world these next 40 days. Worship, pray, reflect, be moved by the holy rhythm of the season.

Blessings

Also, please be aware that the pastor and church office are not automatically notified of your admission to a hospital, due to the HIPPA laws. If your stay is a planned one please contact the church office or have a relative contact us.

In some cases, even if you tell the hospital it is all right to contact us, it may not occur. You personally contacting the church office should be the primary way the message of your hospitalization reaches the pastor. Thanks for your help in this matter.

Please continue to raise our nation, its leaders, and our personnel "in harm's way" in your prayers. Let us not forget to pray for them and to thank God for His blessings. We, as Christians, should also witness God's love by praying for our enemies in all this. Keep in mind Christ died and was raised from the dead for them also and we were called in our Baptism to witness to the entire world. We particularly commend the following who are members of our congregation:

Major Tamara Funari,

Daughter of Ron and Connie Allgire

1st Sgt. Kerry Schnitz,

Son of Larry Burroughs

We also remember in prayer those relatives of members.

St. Sgt. Mark Beck,

THRIVENT – MARCH 2017

Lent is considered a reflective time when we should be involved in more bible study, reading our bibles, and meditating. My musical theme does bring many favorite songs to my mind as I think about the season of Lent. One of them is “Mary, Did you know?” As I reread the words to this song, it stirs so many emotions as a mother of two sons. When we first hold our newborn in our arms, we are filled with so much love and joy. But we also have fears for what comes ahead for this new child. I am reading a fictionalized book that ties to this song, Three Days, A mother’s story, by Melody Carlson. The author tells the story of Jesus in first person from Mary’s viewpoint, as the mother of our Savior. It is amazing how the author puts you into the biblical story and makes you wonder what would the mother of Jesus be thinking. How could she be feeling as she watched what he was doing when he performed miracles, healed the sick, and then on his walk to the cross? This book does a very good job putting you in the story we know so well.

Thank you to a great group of women who put on the St. Paul Recharge Women’s Retreat last month. They did a very good job. And with our Thrivent Action Team’s help, there was plenty of good food for everyone, including snacks, drinks, and delicious meals prepared for everyone who attended.

Thank you to Dyle & Eleanor Roth for helping Chris Turner and the youth with an Action Team for their M & M fundraiser. The total funds raised is close to \$1,000 and they did a great job sharing their faith message with the colors of the candy as well as earning the funds to help them go to the 2018 National Youth convention.

We have another Action team forming to help on a youth project, a Pasta Dinner coming March 26th. Jane Tuttle will be working with Char Flickinger and the youth on this delicious event. Thank you to everyone who supports these events for our active St. Paul youth program.

Today as I was riding in the car listening to 60’s music, I heard a song that took me back to my early teens. Then I was struck by the title—as I also was thinking about finishing up this article. It made me smile and I knew it would be perfect. The song by the Shangri-las was “Leader of the Pack”. What a way to describe Jesus in our lives!

Thank you for your continued support.
